

Admissions and Financial Aid Committee: 2006-2007

Mission: The primary mission of the Committee is to make recommendations to the Senate on matters pertaining to student admissions and financial aid.

The committee focused on several issues during the past academic year.

- Report on current applications and admissions
 - Review of applicants and incoming Freshman class, decision process by director of Admission and Financial Aid and representative from the Provost's office
- Orientation of new and transfer students
 - Discussion of programs in place and issues faced by incoming undergraduates and transfer students
- Honors College students
 - Review of profiles of applicants, recruitment processes and coursework in the Honors college by the Director
- Discussion of issues raised by faculty and staff represented by Committee members
 - Questions solicited, directed to appropriate individuals for response
