

Grounds Department

Andy Moran
Senior Manager of Grounds

Office of Facilities Management – Grounds Department

1

Year in Review

- More maintenance than new landscaping
- Covid-19 policies and procedures training for staff
- Pitt bee-comes a Bee Campus USA member
- New landscaping at William Pitt Union and Bigelow Blvd
- December 2020 was second snowiest in history with 26" snow

Office of Facilities Management – Grounds Department

2

Snow and Ice Management

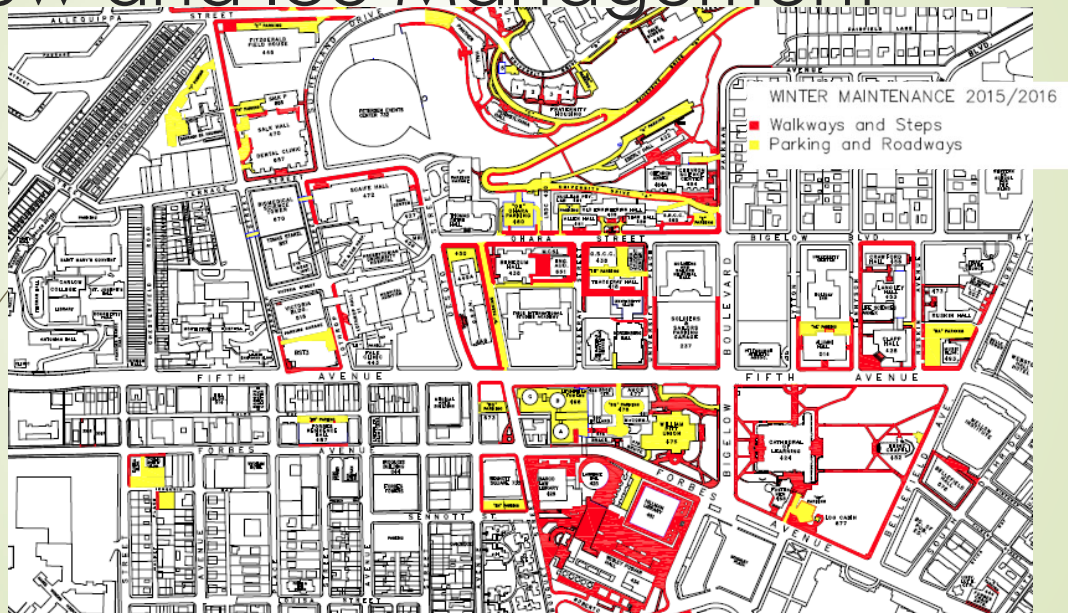

- Over 32 miles of sidewalks, 2,000 steps, 35 parking lots
- Call-in between 15 and 45 staff for snow removal
- Campus is sectioned into 13 zones and 4 truck routes
- 4 different ice melter products used throughout campus
- Snow removal also provided for athletic fields, crosswalks, fire hydrants, emergency call boxes and Sports Dome
